DEPUTY CLERK OF COURT

FELONY PLEA OF GUILTY AND WAIVER OF CONSTITUTIONAL RIGHTS

The judge asked me if I could read and write the English language and I informed him that I could. My signature to this document means I understand all of the following:

I am pleading guilty (or entering a no contest plea) to the following felony charge(s) for which the minimum and maximum sentences are as follows:

CHARGES(S)/STATUTES

MINIMUM AND MAXIMUM PENALTIES & FINES

1. _____
2. _____
3. _____

I understand that I am pleading guilty or entering a no contest plea and that I am giving up the following legal rights:

1. The right to a speedy and public jury trial;
2. The right to an attorney of my choice or, if unable to afford an attorney's services; the right to a court-appointed attorney at no cost to me;
3. The right to see, hear, and ask questions of the witnesses who might be called to testify against me at trial;
4. The right to subpoena my witness to my trial;
5. The right against self-incrimination, meaning the right to remain silent and not testify or produce evidence at my trial without having this held against me;
6. The right to be presumed innocent until, and unless, proven guilty beyond a reasonable doubt;
7. The right to an appeal from a verdict of guilty;

I have been informed and I understand that if I plead guilty or enter a no contest plea, that I may be subject to additional consequences or waivers of constitutional rights in the following areas as a result of my plea:

- | | | |
|---|------------------------------|----------------------------------|
| i) Potential deportation, if I am not a United States citizen | iii) The right to bear arms | v) The right to equal protection |
| ii) The right to vote | iv) The right to due process | |

I have been informed and I understand that if I plead guilty or enter a no contest plea, there may be additional direct or potential consequences impacting the following:

- | | | |
|---|---|---|
| i) College admissions and financial aid | iii) Employment and licensing restrictions | v) Standard of proof of probation or parole revocations |
| ii) Public housing benefits | iv) Potential sentencing as a habitual offender | |

I also understand that this guilty plea or no contest plea is considered a conviction, which could be used against me in the future to increase the possible minimum and maximum penalty I could receive for a later offense or under the habitual offender laws. I am entering this plea after consulting with my attorney and I am satisfied with the advice and services I have received from my attorney. The charges have been explained to me and I fully understand the charges to which I am pleading guilty (or entering a no contest plea). My mind is clear. I am not under the influence of any alcohol, drugs, or other mind altering substance. I have not been forced, threatened, or pressured into making this plea, nor has anyone made me any promises in order that I enter this plea. By entering this plea, I voluntarily give up all of the above rights. If I am pleading guilty, I am entering this plea because I am, in fact, **GUILTY**. I understand that the State and my attorney may make a sentencing recommendation to the court, and what the recommendation contains. I further understand that the court can sentence me to any sentence allowed by the law. I also realize that I have two years from the date this conviction and sentence becomes final to file any post-conviction relief petitions.
